2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Students at Fuente Nueva Charter School learn in a dynamic and supportive environment that recognizes the unique needs and talents of the whole child. Students acquire Spanish as a second language in a one-way full immersion program following the “3 c’s” of the National Foreign Language standards; communication, culture, comparison, connections and community. Through the study of Spanish students are given windows into another place and culture. This exploration prepares students to engage into the global community with strong critical thinking and creative problem-solving skills.

Located on the edge of the Arcata Bottoms, Fuente Nueva enjoys the benefits of a neighborhood setting with nature just out our back door. The campus offers spacious classrooms in a small school setting. As a small school with approximately 144 students, the campus feels warm and caring.

Our Mission and Values:

The Fuente Nueva Charter School Mission is to empower transitional kindergarten through fifth grade students to become engaged world citizens through a challenging and creative Spanish Immersion program that emphasizes academic excellence, the arts, community involvement, and social responsibility.

We Value:

- * A supportive and stimulating academic environment that nurtures the whole child,
- * multilingual communication abilities and appreciation,
- * empathy, compassion, and respect for cultural and ecological diversity,
- * a lifelong love of learning, and
- * collaboration and team work among community members.

Student Programs:

Arts and Physical Education: Students receive classes a week including visual arts, music and movement, and physical education. After school activity clubs include Cross Country, Track and Field, Yoga and Music.

Character Education: Starting in Kindergarten students build empathy, compassion, and conflict resolution skills through weekly character lessons. Mindfulness and self-regulation skills are the foundation for students to learn how to navigate today’s complicated world.

2021-22 School Overview

Familias: Cross-age groups of students meet with each teacher at Fuente Nueva for four weeks at a time to study a different area of the Spanish Speaking world. With passports in hand students visit each classroom to learn the unique culture and traditions through hands-on enrichment activities such as cooking, crafts and more.

Extended Day Program: FNCS is proud to offer an enriching child-centered before and after school program on-site. Subsidized care is available through Changing Tides.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)

Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

As a charter school we maximize the benefits having the flexibility to choose our own textbooks and instructional materials. The classroom are resource rich with grade level materials that include text books, trade books, STEAM materials, manipulatives and realia. Annually teachers are given the opportunity to choose materials to add to their collection. In addition, we have adopted curriculum that meets the learning targets of the Common Core State Standards. All students have proper access to instructional materials in order to reach or exceed grade level expectations.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

There are many ways for parents to join the Fuente Nueva community and support their child's education at the same time. Parents contribute their unique talents through a variety of volunteer activities. From classroom support to serving on the governing board of directors, there is sure to be a way for every parent to engage. Working together builds relationships among parents and staff. Connections are reinforced through annual community gatherings including Readers' Theatre performances, Dia de los Muertos Celebration, Back to School Night, Science Night and Dancing Under the Stars. Each family is asked to give four hours of volunteer time a month. Many families go above and beyond this request which greatly strengthens our school community. Thanks to parent input, we are proud to have a strong sense of community at Fuente Nueva Charter School.

2020-21 Chronic Absenteeism by Student Group

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Fuente Nueva works with the community to ensure that there is a comprehensive, up to date safety plan in place. The Comprehensive Safety Plan is in compliance with state law and address all the necessary components and more. The teaching staff are trained in Community CPR and First Aid. Working closely with the Risk Manager at the Humboldt County Office of Education, best practices trainings and workshops are attended regularly by the appropriate Fuente Nueva staff member. Prior to the start of every school year, the entire staff reviews the Comprehensive Safety Plan. The Comprehensive Safety Plan was last reviewed by the Fuente Nueva Charter Council in February 2021. Each year at Back to School Night and Open House we had a safety table where parents were able to view supplies, maps and the Comprehensive Safety Plan itself. The plan is also made available to parents in the main office.

2020-21 Types of Services Funded

Fuente Nueva provides a comprehensive intervention program for students who are in need of additional support to succeed at school. The school has a multi tiered system of support (MTSS) in place that provides services for students academic, social emotional and behavioral needs. Weekly meetings of the MTSS leadership team helps to ensure that services are matching student need. Students identified with specific learning disability are provided special education/speech services. These services are funded through local SELPA funds, state LCFF grant and other state and local funding. In addition to services for at-risk students, after school tutoring is provided for any student who needs extra support at any given time throughout the school year. There is a school counselor available for all students with services principally directed to those most in need.

Professional Development

The staff at Fuente Nueva is committed to continual professional development. Weekly early dismissal days provide quality time for staff development and collaboration. In addition, we have five duty days before school opens, one duty day after school ends and four release days throughout the year. These days are provided for the purpose of professional and program development. Teachers and the administrator work together to choose opportunities that are in alignment with the mission of Fuente Nueva and each individual has their own personal professional growth plan. Fuente Nueva Charter is a part of the TK-12 Equity Partnership with Humboldt State University and Humboldt County Office of Education. Through this partnership all staff participate in ongoing trainings related to racial equity and implicit bias. Continued learning on these topics enables us to maintain a cycle of continuous improvement to address any disproportionality that presents at Fuente Nueva.
