

REEF 2020

The Redwood Environmental Education Fair

Online, May 11th - June 30th, K-8th Grade

The 36th annual Redwood Environmental Education Fair is pleased to announce that we will be hosting two of your favorite presenters on our REEF website this year. To help support distance learning, videos will be posted from May 11th- June 30th, The Conservation Ambassador's "Wild Things" and Ocean Annie's "Dive into your Imagination", will provide several video presentations. We hope you enjoy these motivating videos.

Annie Crawley: Ocean related videos

Join Annie Crawley who works as a filmmaker, motivational speaker, photographer, writer, as well as a PADI scuba diving instructor. Although we will miss having her here in person, she's providing us with videos that you can watch at home and be inspired by her love for the ocean and motivated to create your own stories about the environment. These short films will take you on a journey around the world, glimpsing the wonders of what lives just below the surface. She has 4 videos for you to enjoy!

"What Makes A Fish A Fish," 25 minutes : 8 chapters that are 2-3 minutes each, PreK-8th grade

"Sharks & Rays The Adventures of Ocean Annie," 27 minutes, K-8th grade

"A Mother's Tale Humpback Whales of Tonga," 7 minutes. K-8th grade

"Frankenfish A Farmed Atlantic Salmon Story," 10 minutes, 6th-8th grade

Gabe Kerschner: Animal related videos

Conservation Ambassadors, Wild Things Inc. was founded by Gabe Kerschner in 1987 for the explicit purpose of housing and caring for displaced wildlife. These animals are shared in their wildlife education presentations, which are offered to thousands of school children every year. Our hope is that through meeting these animals and hearing their stories, future generations will gain a greater appreciation for the natural environment, be more likely to have an environmental conscience, and make decisions that will benefit the earth.

"Animals of the World," A broad trip around the globe. 18 minutes, K-8th

"Animals of North America,": All native species. 25 minutes, K-8th

Please enjoy these presenters' videos at our REEF website:
