PTO News

PTO Fall Carnival will be held on Friday, October 27 from 5:00 to 7:30 pm. This is a wonderful event for the entire family.

Parent-Teacher Conferences

Conferences will be held October 9th to the 13th. *School will be dismissed at 1 PM all week.* It is important that you return your child's conference note. These conferences are vital to your child's success at school.

Staff Parking lot

Please DO NOT pull up into this parking lot to drop off or pick up your child. Students use the cross walk at the entrance of this lot to get to the true pick up and drop off zone. Pulling up into this lot and then backing out creates a serious safety hazard for our students. Those with handicapped parking permits may park in the designated area.

Lunch Charges

Please remember to pay for your child's lunch in advance. This has been the best year as we are not accumulating very many lunch charges. This is much appreciated.

School Arrival

Students can be on campus starting at 8:00 am. Our FREE breakfast is served daily from 8:00 to 8:20.

10/10 - Scotia @ Toddy Thomas 4:00

Soccer

Halloween Parties

Halloween is Tuesday, October 31st. We will have our traditional Halloween Parade through the town and classroom parties in the afternoon. Those who do not wish to participate in the activities will be provided with an alternate activity.

Salsa Competition

4 Scotia students from the ASES program are competing in the Rising Stars Salsa Competition. Come see us at Apple Harvest Days in Fortuna on Saturday, October 7 to try the salsa and then vote for our Scotia ASES team! The competition starts at 12:00 in the Strong's Creek Plaza.

Principal's Corner

I hope the school year has settled into a productive and positive routine for your family. We have some new teachers we would like to introduce. Let's welcome Miss Camozzi to our TK/Kindergarten class. She comes to us as a "seasoned teacher" from Petaluma. We also welcome Mrs. Matheson to 5th Grade. She grew up in Humboldt County and is doing a great job in her first year as a teacher. Good attendance is a key component to student achievement. All students must be encouraged and supported to attend school on time and on a regular basis. When absences occur, please remember to call the office explaining the reason. We do understand the emergencies occur and students get sick, we just want to make sure that it doesn't affect their academics.

Have a wonderful October!
