Welcome to the 2018-2019 School Year!!!

Attendance Is About Community

Make Every Day Count

No matter what the classroom looks like, learning is only effective if our students are present with us. There's a hard truth about our educational mission. Every time a student is absent, two things get lost:

- Student learning
- Funding for the student's education

Every day a student is absent from class, including excused ones, we lose substantial resources. Our school community is as strong as the students who attend, please help us make sure your student is with us each day.

Attendance Clerk Frankie Parks can be reached at (707) 943-3144 ext. 3101.

Counseling Services

Counseling services are available on campus through one of several partnering agencies. Our own school counselor, Brandy Pancoast, will be working with groups and individuals this year. If you want to request services, email a *Request for Counseling* to her at brandypancoast@sohumusd.com.

If you're thinking that you're going to apply to 4-year colleges during your senior year, and if you're currently a sophomore or a junior, then taking the PSAT is a really important step to take toward preparing. The PSAT is the perfect way to preview and practice for the SAT because, with your results, you get access to a free account with personalized study recommendations to improve your score.

Redwoods Rural on South Fork Campus

Health Center Clinic

The Redwoods Rural Health Clinic is now being held in the Library on the fourth Tuesday of the month. Insurance will be billed, but uninsured families can access help applying for coverage. Students who want to be seen can sign up with Brandy or Marie.

Dental Van

We are excited to announce that you can now have dental appointments for checkups, cleanings, and treatment right here on campus. There is no cost or billing to insurance for this service. Students who want to be seen can sign up with Brandy or Marie.

Community Service

This is a reminder that, if you're graduating this June, you have to fulfill 15 hours of community service along with a reflective piece of original writing that documents your hours. Turn in the paperwork to Brandy Pancoast.

Newsletters are available on the District Website:

Lunch/ Breakfast Forms

If you've ever hesitated applying for the free/reduced lunch program, be assured that the program can only benefit our entire school community. The number of students who qualify for either free or reduced lunch gets included in larger calculations about the funding we get. Please fill out the application, even if your son and/or daughter won't rely on the program. It can qualify South Fork and Miranda Junior High Schools for much needed funds.

Regular lunches cost \$3.50. They can be pre-paid or paid per meal. Reduced lunches cost 40 cents. Qualifying for the free/reduced lunch program automatically qualifies you for free/reduced breakfast each morning before the first bell.

You can contact High School Secretary Marie Etherton at (707) 943-3144 or stop by the office if you have any questions, issues, or concerns.
